I have received, read and understand the Sayre Area School District's Acceptable Use Policy (located at: <http://www.sayresd.org/technology/Sayre%20Area%20School%20District%20AUP.pdf>) governing access to and use of the District's networks and the Internet through school resources and agree with its terms. I understand that this access is being provided for educational purposes only. I understand that Sayre Area School District cannot restrict access to all controversial and inappropriate materials and I will not hold it responsible for materials acquired on the network.

Finally, I understand that violation of this policy may have consequences ranging from revocation of access privileges to suspension or termination and those violations may be reported to local, state, and/or federal legal authorities.
