A watercolor-style illustration of the USS Essex, an iron-clad steamship. The ship is shown from a side profile, moving across a body of water. It has a dark hull, a white superstructure, and a single tall smokestack emitting a plume of dark smoke. Several flags are visible: a blue ensign at the bow, a red and white striped ensign at the mainmast, and the United States flag at the stern. The background shows a hazy, overcast sky and distant land.
