

SAYRE AREA SCHOOL DISTRICT TECHNOLOGY TIPS

CONNECT SASD APPLE DEVICE TO WIRELESS

Purpose

To connect to Sayre Area School District wireless with SASD Purchased Apple devices such as an iPad or iPhone.

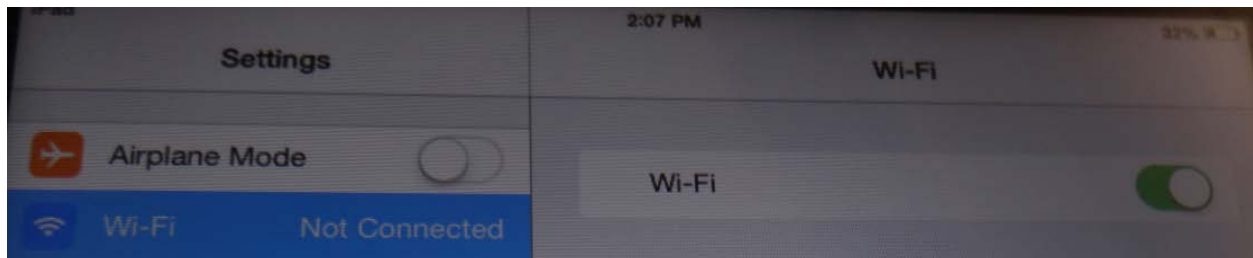

Procedure

Start up your Apple iOS device (ex. iPhone or iPad).

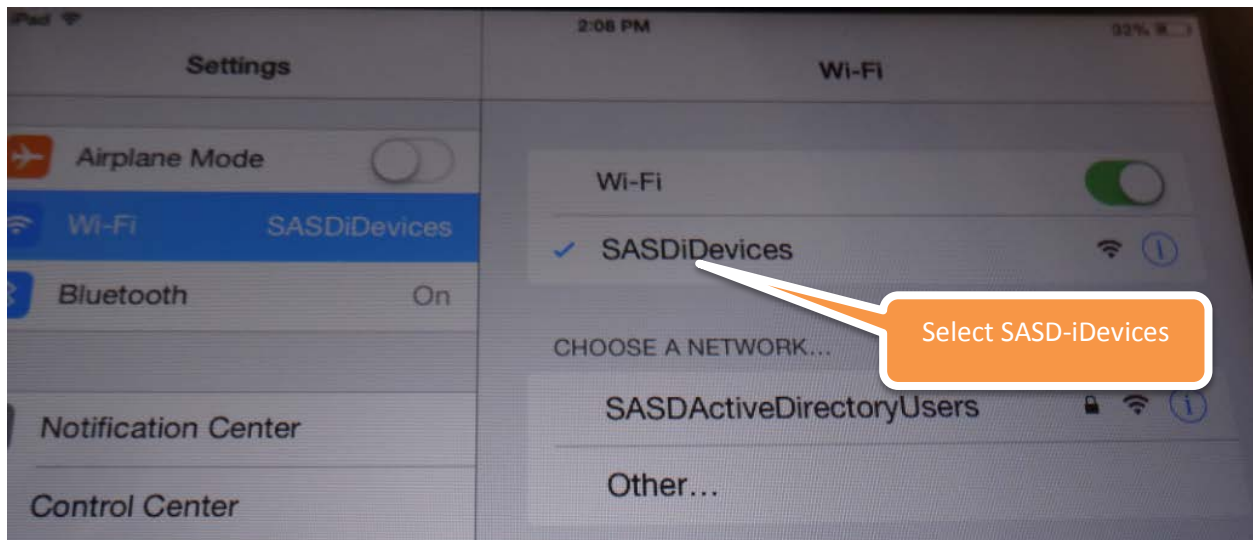

Go to Settings

Go to your Wi-Fi settings

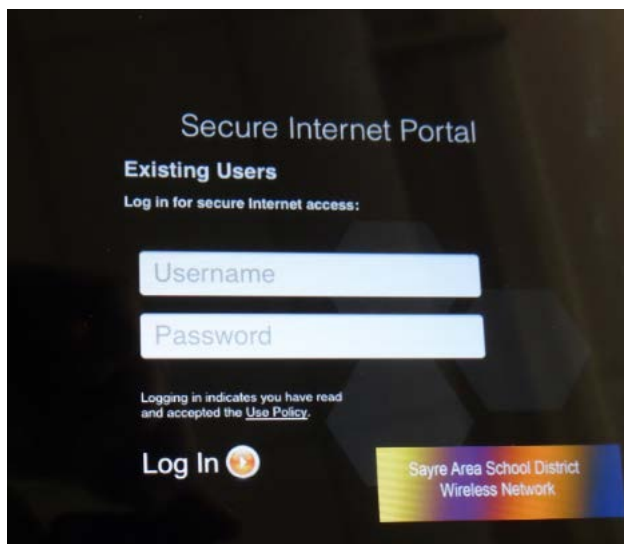

Turn Wi-Fi ON – if it is not already on

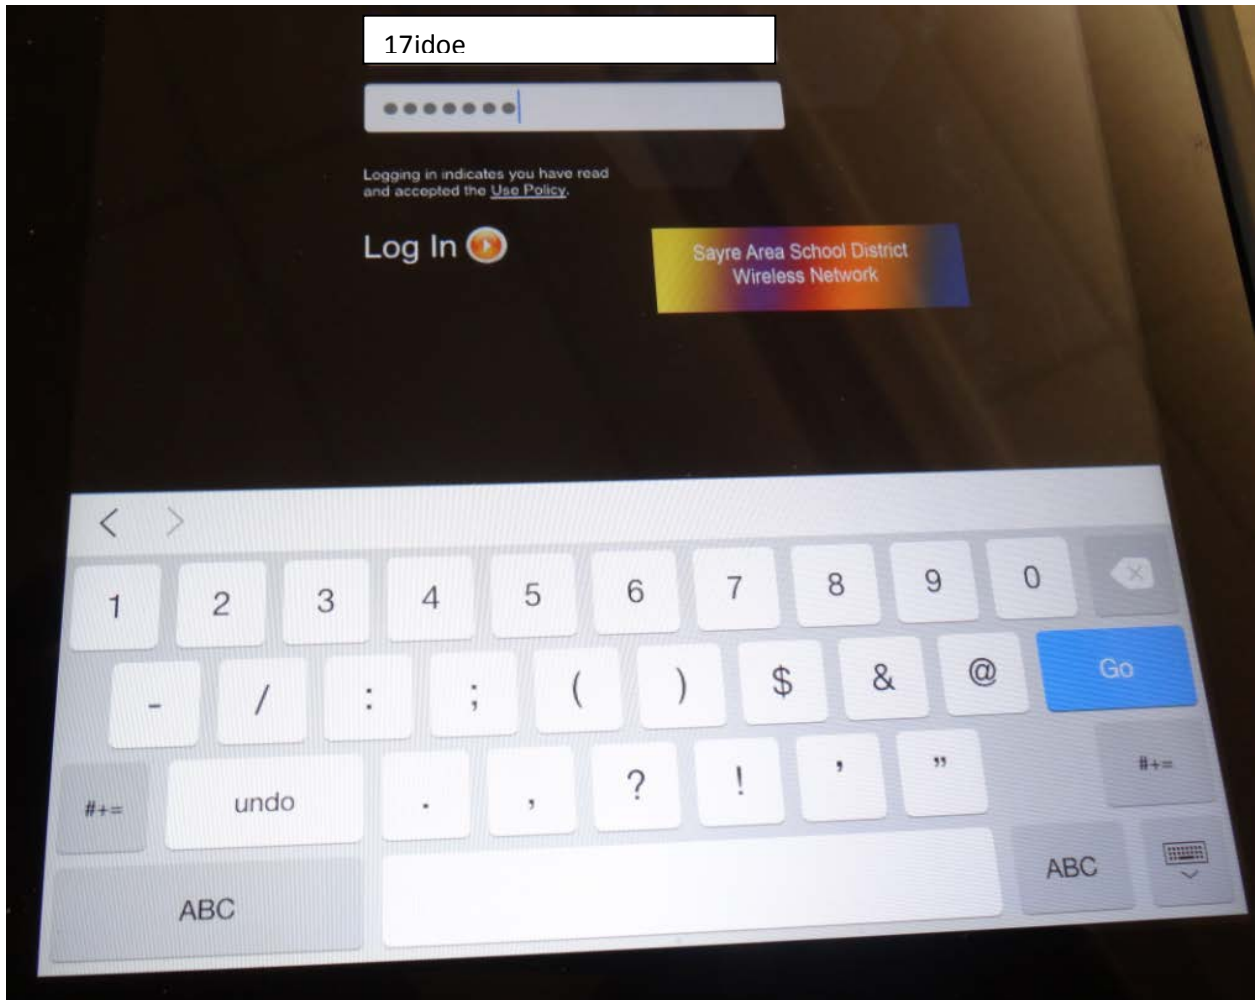

Select SASD-iDevices (this is the Wi-Fi for Apple devices)

Now go to Safari

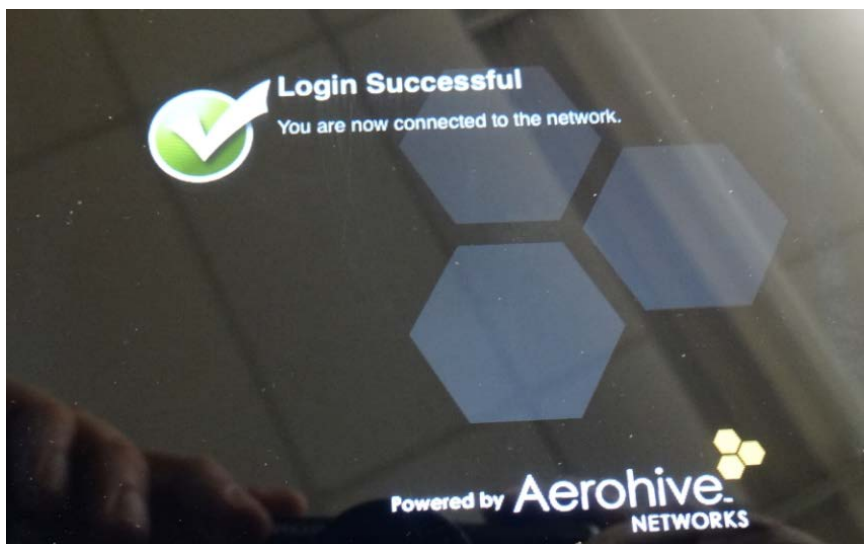

Open up a web page via Safari – you will be redirected to the following screen:

Now enter your SASD username and password

Click on Log in

Now you have access to the internet

Just enter the desired web address that you wish to go to (see example below):
