

SAYRE AREA SCHOOL DISTRICT TECHNOLOGY TIPS

ACCESSING ACCELERATED READER FROM SASD PCs

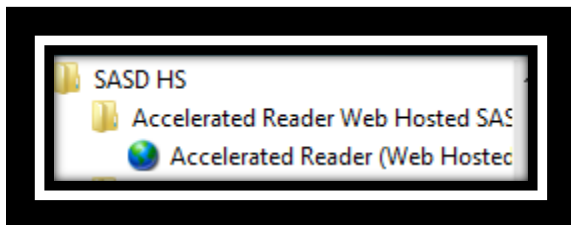

Purpose

This documentation illustrates how teachers can access Accelerated Reader from Sayre Area School District PCs.

Accessing Accelerated Reader

To access the software:

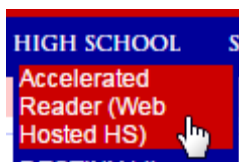

Click on Start – click on **SASD HS** for High School Users and SASD SE for Snyder Users → click on Accelerated Reader → click on **Accelerated Reader**

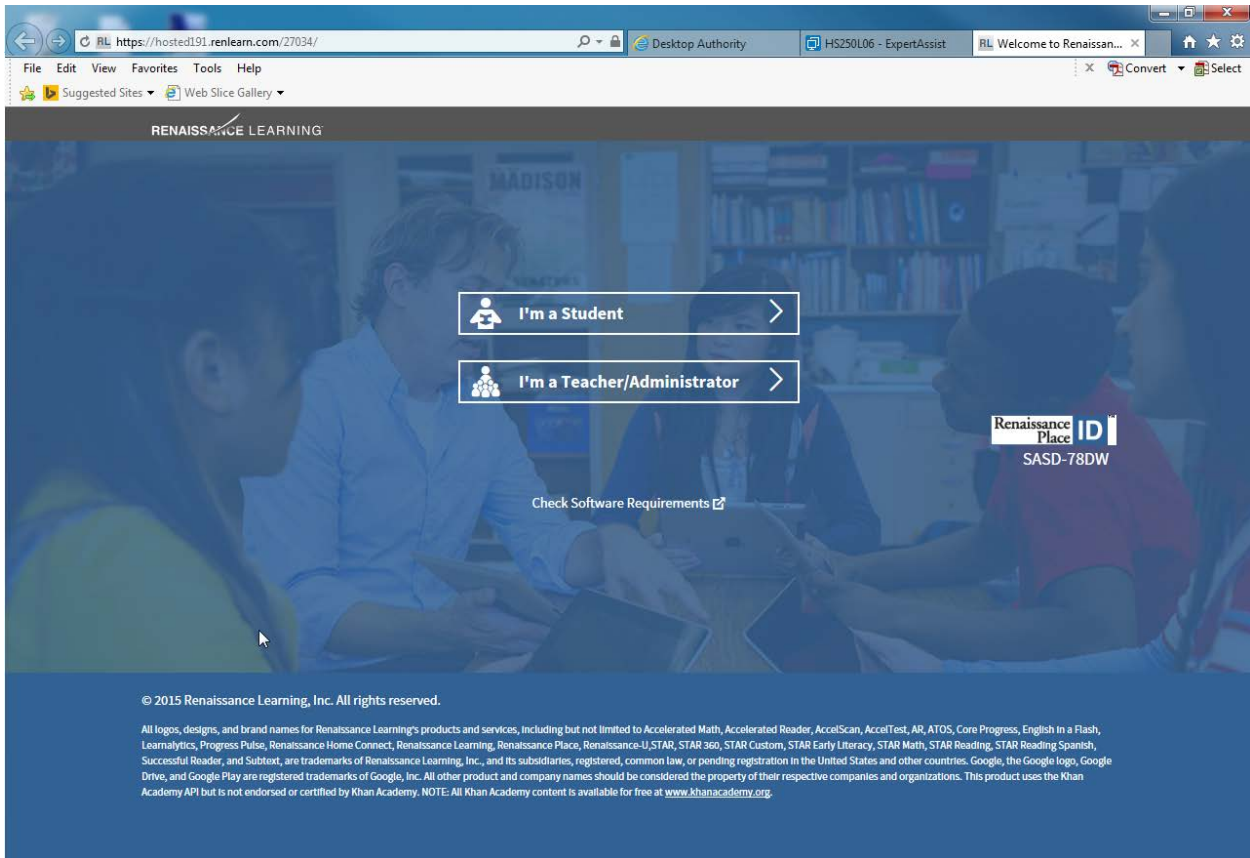

OR you can access this from the desktop shortcut (see below)

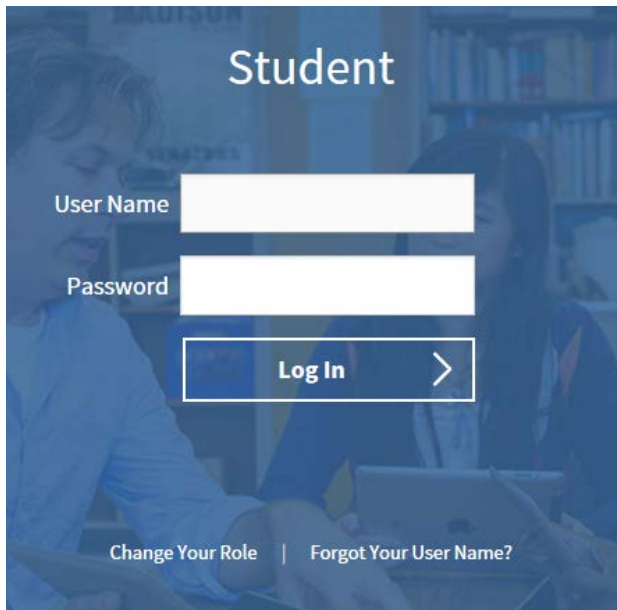

OR you can access this from our web site (from the library pages)

The above screen will appear:

Now just click on the appropriate "I'm a Student" OR "I'm a Teacher/Administrator"

Enter your username and password

The following sample screen appears – depending on your rights.
