Another example of what could be in a calendar would be field trip information as seen below:

The screenshot shows a web-based calendar for May 2014. On the left is a navigation menu with items: Home, Calendar (highlighted), Gradebook, Student Info, Food Service, Schedule, Discipline, Activities, Academic History, Portfolio, and Login History. The calendar header includes navigation arrows, 'Today', the month 'May 2014', a calendar icon, and a 'Calendar Display' section with 'Month', 'Week', and 'Day' options. The calendar grid shows dates from 27 to 31. Three field trip events are listed: '8:10a Field Trip: Keystone Lit' on Wednesday, May 14; 'Field Trip: Keystone Lit' on Friday, May 16; and '8:10a Field Trip: Keystone Bio' on Saturday, May 17.
