

SAYRE AREA SCHOOL DISTRICT TECHNOLOGY TIPS

TAKING A CAMERA PICTURE ON AN IPAD AND EMAILING IT

Purpose

This handout goes over how to take a CAMERA PICTURE(s) on an iPad and Emailing it.

Sample use – you are using an iPad and wish to take a picture of a student’s work.

Figure 1 - Sample Picture of Student Work

Contents

Purpose	1
Screen Shot	2
Email Screen Shot	3

CAMERA PICTURE

Click on the camera App

Now from your iPad focus and take a picture (what you see on the screen is what you are going to take a picture of).

Click on the WHITE button

Email CAMERA PICTURES

From the iPad, now open up your Safari / browser and do the following

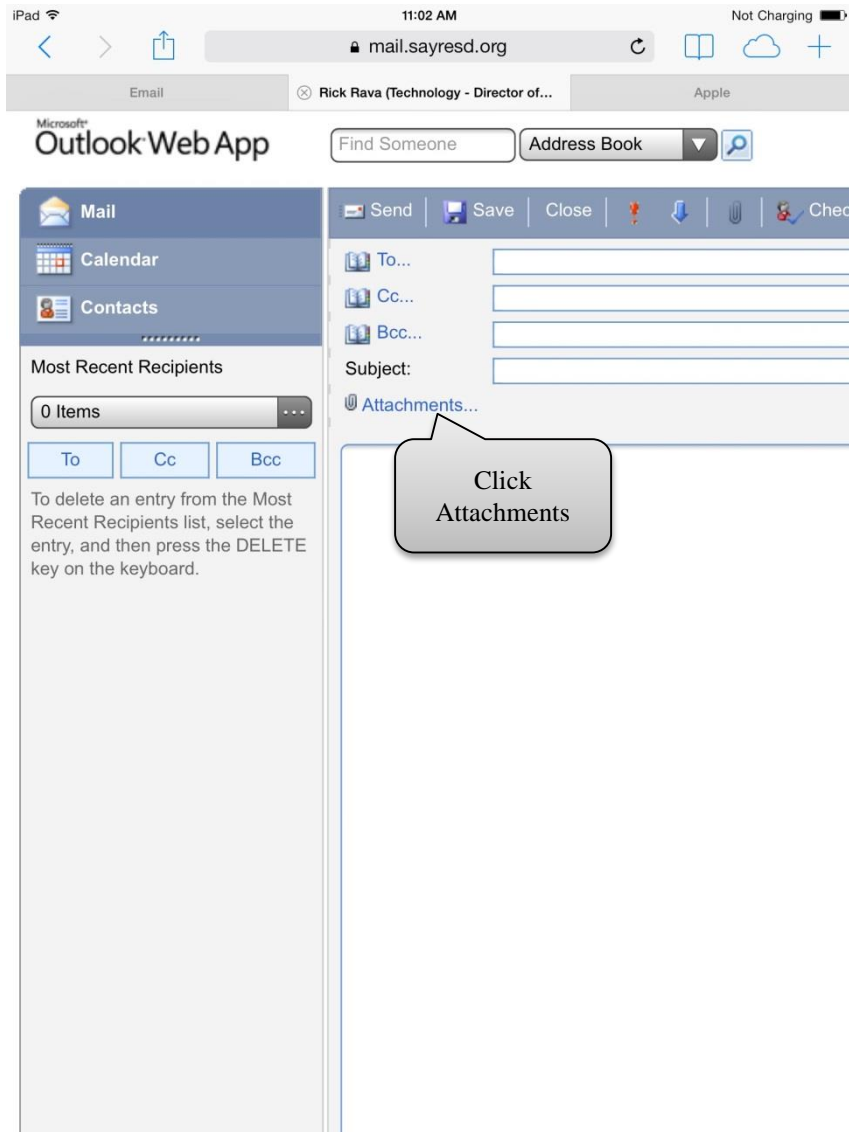

Go to www.sayresd.org – then click on the email quick link

Log in to your email

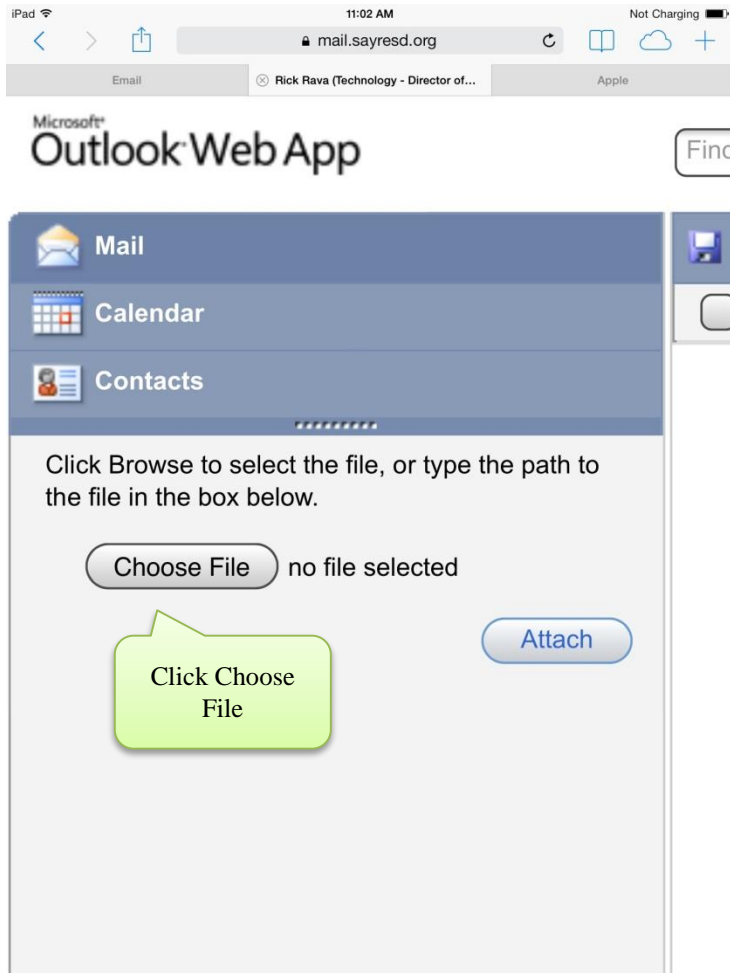

The screenshot shows the Outlook Web App interface on an iPad. The browser address bar displays 'mail.sayresd.org'. The Outlook Web App header includes a search bar and a dropdown menu set to 'Entire Mailbox'. The left sidebar shows navigation options: Mail, Calendar, and Contacts. Below these are folders: Deleted Items (112), Drafts [1], Inbox (highlighted), Junk E-Mail, and Sent Items. A red callout bubble with the text 'Click New Message' points to the 'New Message' button in the top navigation bar. The main content area displays a list of email messages with columns for From and Subject.
