

SAYRE AREA SCHOOL DISTRICT
FOUNDATION

Aiming For Excellence

333 West Lockhart Street
Sayre, Pennsylvania 18840
(570) 888-7615

Date: January 16, 2017

Dear Friend of the Sayre Area School District:

You are receiving this letter because of your special relationship with the Sayre Schools. It is a direct appeal for support of the Ninth Annual Sayre Area School District Foundation's fundraiser golf tourney scheduled for May 6, 2017 at Tomasso's Golf Course in Waverly, NY.

If you are a golfer, we would love to invite you to play. If you don't have a full team, we will help. If you would be coming in from out of town, we can handle overnight accommodations, too. If swinging a golf club isn't your thing, or the date might not be convenient to your schedule, please consider donating a financial contribution of any size to help defray expenses.

The foundation is a 501 © (3) tax exempt organization, which operates separately from the school district under its own seven member board of directors. It was established in 2003 to help develop, promote, and finance educational programs, activities and projects like student loans and scholarships; grants for innovative instructional initiatives; and assistance for specialized needs in athletics, recreation and the arts.

Details of the event are on the enclosed flyer, and we thank you for your consideration. If you have any questions about the golf tourney or the Foundation, please contact the District Office at (570) 888-7615.

We hope to see you for this fun, worthwhile event!

Sincerely,

Mr. John Shaw
Tournament, Co-Chair

Dr. Sherry E. Griggs
Superintendent
Tournament Volunteer
