Title	Recreation Programs
Number	123.1
Status	Active
Adopted	February 13, 2012
Last Revised	October 22, 2018

### **Purpose**

The Board recognizes that all students can benefit both physically and intellectually from a sound program of recreation activities. Such a program can encourage continuous participation in individual and group oriented recreation activities. The district shall operate a school year and summer recreation program.

### **Guidelines**

A planned program of recreational activities shall be available for all eligible district students and eligible district residents. The program shall offer a variety of options based on participant interests and available resources.

### **Delegation of Responsibility**

The Superintendent or designee shall develop administrative regulations for the organization and administration of the recreation programs.
