Authority

The Board is responsible for adopting all textbooks/eBooks used for instruction in the district's educational program. The Board shall establish a planned cycle of textbook/eBooks review and replacement.[1][2][3]

Definition

Textbooks shall be defined as the books/eBooks purchased in classroom quantity and issued to each student in the class.

Delegation of Responsibility

The Superintendent shall be responsible for the selection and recommendation of textbooks/eBooks for Board consideration. No adoption or change of textbooks/eBooks shall be made without the Superintendent's recommendation, except by a two-thirds vote of the Board.[1][3]

The Superintendent or designee shall establish administrative regulations for reviewing, evaluating and selecting textbooks/eBooks.

A list of all approved textbooks/eBooks used in district schools shall be maintained by the Superintendent or designee and shall be available to Board members, district staff, students, parents/guardians, and community members.[4]

Guidelines

In considering the approval of any proposed textbook/eBooks, the Board will evaluate its suitability for the maturity level and educational needs of the students who will be using the textbook/eBooks, freedom from bias, relationship to the curriculum, relationship to a continuous multigrade program, cost, appearance, durability, and length of subscription.
