Purpose

The Board recognizes the importance of establishing a comprehensive plan for achieving the district's vision, goals and beliefs for its schools and to guide the educational program and operation of the district. Participation by all segments of the school community is a critical element of such planning.

Authority

The Board shall develop and approve a Strategic Plan for the school district based upon an analysis of internal and external needs that results in specifications of priorities for actions and action plans. The plan shall be formulated in accordance with state regulations.[1][2][3][4]

The Board shall provide guidance in creating and formalizing the Strategic Plan and shall ensure active participation by Board members, administrators, teachers, other district personnel, students, parents/guardians and representatives from local businesses and the community.[2]

The Board directs that the Strategic Plan shall be continuously monitored and shall be reviewed and revised during the third year of the six-year plan, and when necessary.[2]

Prior to approval by the Board, the Strategic Plan, and any revisions, shall be made available for public inspection in the district's administrative offices, on the district's website and the public library until the next regular Board meeting or a minimum of twenty-eight (28) days.[2]

Delegation of Responsibility

The Superintendent shall be responsible for recommending the Strategic Plan to the Board and for submitting the plan to the Department of Education.[2]

The Superintendent or designee shall be responsible for implementing the Strategic Plan and providing written quarterly progress reports to the Board.
